WHAT YOU NEED TO KNOW

PRIVATE TRUCK EVENT

PLANNING YOUR EVENT –

- All food is made to order. Twisted Smoke can make approximately 50-65 meals per hour, depending on the menu options.
- For budgeting purposes, plan on \$11+ per full meal and \$5+ per snack size meal.
- Twisted Smoke will arrive approximately 30-45 minutes before event to set up.
- Our truck will need a level area, for parking and service, approximately the size of 2 parking spaces. We also require an 11 foot height clearance.
- We do not require a power source, we run off a generator. If you do not want a generator running during your event, you must provide an adequate power source. (120 volt power box, preferably on its own breaker)
- With approximately 30 minutes left in your event, we will let you know what your balance is. If there is money left to spend to meet your minimum, we would much rather you get more food.
- After the event, a final bill will be provided and a receipt can be emailed after payment.
- We will need approximately 20-30 minutes for cleanup.

- The deposit for service only will be credited to your final bill (due at the end of event).
- Balance due at the end of event is total sales, or minimum fees, whichever is larger.
 - Example: An event for 3 hours and 40 miles away would require \$550 minimum sales; \$400 for the first 2 hours and an additional \$150 for the 3rd hour. A deposit of \$480 is required.
